(Slip A)

Nadiga Ramanna of Antargatte village in the Nallur Hobli of the Kadur Taluk memorialized H. H. the Maharaja complaining of several irregularities during the car-festival of Sri Durgamma temple at the place and praying that the temple and its endowments may be taken under Government management and certain Inam land originally in the temple khata, may be restored for the benefit of the institution.

The memorial which was referred for disposal to this office was forwarded

for report to the Deputy Commissioner, Kanara District, and that Officer has submitted a detailed report thereon together with the Vernacular records bearing on the Subject.

The Deputy Commissioner reports (Pa that the temple at Antangatte referred to by the memorialists, is dedicated to the goddess Antargattamma or Durgamma and is held in great veneration by a large number of devotees; that an annual jatra is held for a week in the month of Magha (January or February), attended by a host of devotees, traders etc. numbering from 10 to 15 thousand people, and that as many as 2000 carts collect on the occasion; that the average income of the temple may be about Rs 400/ annually, the bulk of which being realized during the jatra. That the Valmatdars put the estimate at about Rs 250/ per year; that the income of the temple is susceptible of considerable increase under proper safe guards as the jatra is the biggest in the District; and that a small fee of 6 pies may be levied on each cart that collects at the jatra, the amount being utilized in part towards the sanitary needs of the place and that a proposal to hold an annual Cattle show is in this view

He continues as follows: —

The management of the affairs of the temple devolves on the 3 ×Margin

It is further reported that the Puja in the temple is conducted by 12 persons in turns each for one month receiving Thirtha Kanike and rice as remuneration for their services A scale of expenditure amounting to Rs 194-5-0 particularized in the Dy. report, it is observed that properties

(Slip B) in gold, silver etc. belonging to the temple are valued at nearly 6000 Rs.

As regards the occurrence of certain irregularities complained of by the memorialist, it is reported that during the recent jatra, the Amildar was present,

(Slip C) that no irregularities as alleged by Narig Ramanna occurred on the occasion; but that three persons lost their lives by reason of the car running accidentally over them.

As to the Inam lands originally endowed to the temple, it is reported that the institution was under Govt. management up to the year 1841, when it was handed over to the Village Mukhtesar Krishnaji on the ground that it was unnecessary,

Muzrai Secretary's remarks:—

The temple is not a Muzrai institution. It has neither cash Jaadik nor land inam from the Government. It is stated that it had some land inams and was under Govt. management in former days but it would appear that so far back as 1841 the management

was given away to private individuals and the inam lands were resumed As it is now reported that the 3 Vahivatdars are themselves willing to make over the management to the Govt and as large collections appear to be made during the Jatra of every year, I think that the Deputy Commissioner's proposal that Govt should take up the management may be sanctioned The D/ Commissioner may be asked to immediately take up the management and see the collections made on the old lines during the coming Jatra - 10th February 1908. He may be asked to make a clear report after the conclusion of the Jatra as to the amounts realized and also to submit his proposals

Sir,

With reference to your docket No 4287 dated 26th March 1907, forwarding for report memorial, Reg No 1034/3923, dated 21st February 07, addressed to H H. The Maharaja of Mysore, by Nadiga Ramanna of Antargatte, Kadur Taluk, praying that the Temple of Durgamma at Antargatte in the Kadur Taluk may be taken over to Government management, I have the honor to state that the temple is dedicated to the goddess Antargatlamma or Durgamma, and is held in great veneration by a large number

number of devotees who frequently resort to worship there

2. An annual jatra is held for a week in the month of Magha (January or February) and is attended by a host of devotees, traders, &c., numbering as many as 10 to 15 thousand people. It is also reported that as many as 2000 carts collect there.

3. From the amildar's detailed report No 294, it is seen that the temple was once endowed with Inam land assessed at Rs 15-15-0 and that it was resumed at the Survey Settlement. The temple has now neither land nor cash Inam. The circumstances under which the land was resumed have been ordered to be reported. The villagers say that if the Inam is restored to the income will be utilized by daily rice.

6. During the present year however the realizations amounted to Rs 238-5-11 Composed of the marginally noted items and the decreased income is attributed to the disputes and misunderstandings amongst the Vahivatdars themselves.
